Vehicle Servicing & Workshop – Terms and Conditions

1. **VAT:** All prices are subject to VAT at the current rate.

2. **Specialist Parts**: Specialist parts or additional components required for your vehicle may incur extra costs.

3. **Engine Size & Layouts:** Service prices are based on an average of 4-cylinder engines, larger engines, including but not limiting to V6, V8, straight-6 along with other engine configurations, may require additional parts & labour and may incur extra charges where applicable.

4. **Spark Plugs:** Service prices include an allowance of £10 (plus VAT) per spark plug. Any spark plug costing more than £10 (plus VAT) per plug will incur an additional charge for the difference, based on our purchase cost.

5. **Non Stock & Specialist Oils:** Service prices include an allowance of £3 (Plus VAT) per litre. Any vehicle that requires non stock oil or a specialist oil costing more than £3 (plus VAT) per litre, will incur an additional charge for the difference, based on our purchase cost.

6. **Courtesy Cars:** Courtesy cars are provided free of charge. A £10 fuel charge applies for a supplied quarter tank of fuel. The courtesy car can be returned without replacing any fuel, and no additional fuel replacement is required.

7. **Additional Costs:** Any additional parts or costs required to complete the service or repair will be charged separately where applicable. We will advise you of any additional costs before proceeding with extra work.

By booking a service or workshop job, you agree to these terms and conditions.
